Hey, stop right there !

Huh?

Ah...

Why are you  
more  
surprised  
than me?

I thought you passed out.  
What did you let me

—Shin?

What's wrong?  
Is something  
there?

I hate you !

It's your fault  
for abandoning  
me !

It suddenly feels ...  
I can't breathe well.

Are there  
any?

What's going on?  
What's with them?

Go away !

Ugh...

!!

Of course not!

아!

We have to do something  
to ease our hatred toward  
you.

Otherwise, it's going  
to get worse. I guess  
I started recently. May  
rehabilitate events?

What  
there is one

which is?

So, it's  
your fault!

Who told me  
that my deathbed was  
changing around  
me?

Don't you  
think that it  
could be your  
fault?

How could ever it be my fault?  
There are affecting words!  
Admit it!

You're going  
to sleep.

First, I am going to  
tell you today!  
Let's go to bed  
together!

Let's...

Sleep...

Yeah?

well yes

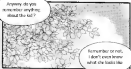

Thanks for saving  
me when I fell...

Anyways do you  
remember anything  
about the girl?

about it  
I did what I had to do

Just  
keep  
looking

Remember or not,  
I don't even know  
what she looks like

Oh

Does this control you  
at anyone?

Well then

I think I've seen  
this face before

If you become my  
official girlfriend,  
I will draw you

I am not good  
at using  
brain !

Say, what's it ?  
Do you know her or not ?

That's what  
I am trying to  
figure out.

하 아 아 아

Anyway, I will let  
you keep the picture  
keep looking at it.

Just make sure if  
you remember  
anything.

Yeah.

You don't have to  
do this, so make  
up all you can think to  
propose.

Just be careful  
when you  
are in class.  
I will check on  
you on my  
own break.

She may appear  
at any time, and  
punish you.  
So, just be on  
look out.  
From now on,  
we will go to  
school together.

Thank.

Why are you being  
so friendly?

Don't you find  
the atmosphere so  
lovely, burden?

Yes, it is  
very nice

Right?

Yes, not really

Don't feel bad or  
anything, it was helping  
you not panic for  
now well.

I went #12 to  
read the paper  
out loud for the  
class

I was almost into for  
the class because  
of him.

It's hard to tell whether  
he is being serious or  
joking.

If you be my  
ol, I will close  
your everything.

Does this was a really  
hot-blooded guy.

I can imagine  
how angry he got  
when he figured that.

Shin... about that...

Yeah?

I think I remember.

Go on!

Before, I hate you!

It's not like  
parents can lead  
to some great  
future.

You are troubled  
as well?

Oh?

Let me tell  
you.

If you are worried  
do this.

Write  
your  
worry  
I wish I were  
beautiful

Write your worries  
on a piece of a paper  
and make a paper  
plane.

Paper planes  
will carry your  
troubles away

Oh wow!

I wanna try!

Look!

That hurts...

I am...  
the Spring

What's  
your name?

I am...

Her name was  
Myung So  
She had all hearts

This must be her

What is her?  
Did I hear right?

Did you really  
see her...

Did you really know  
she was that important  
person that they put  
her in there?  
I didn't know she was  
that important.

Um...

Anyone...

I haven't done  
anything wrong  
with me,?

I used to play for  
a bit before. I'd enter  
elementary school.

She moved away.  
I've never seen her  
since then.

Did she actually  
move away?

Is it  
why?

I told you that  
she was a child  
of this height  
about 7 years old.

It's hard to tell whether  
she really relocated or not.

He should  
have shot me after  
you stopped crying!

What?  
So 10 years ago?

I am dead?

!!

Min...  
that cannot  
be...!

Min?  
What's  
wrong?

She's right  
over there!

What?  
Hyoung Seo  
is there?

I cannot be dead...

That's a lie !

Get behind  
me, Mr. Spring !

Later, I told my  
mom about Paul.

Here, it was 15  
years ago, so  
I don't remember  
clearly.  
There was a girl  
with dark hair.

I feel like she had  
a heart attack while  
she was sleeping  
and passed away.  
You were too young,  
so I simply told you  
that she moved away.

She also told me that  
there were some unusual  
events after her death.

Windows shattered  
out of blue and people  
were being pushed  
by no one and not hurt.

She died of a  
heart attack while  
sleeping.

The only friend  
she had.

7 years old

And 10 years  
of time

There is very  
little doubt that she  
is the cause

I am dead ?  
That cannot  
be !

She...

Must not have  
realised that she  
died on that day

The 7 year old noticed  
suddenly that no one's  
noticing her and talking to  
her (She started to do)

Little tries to gain their  
attention. Over the years,  
her trials became more  
and more violent.

You were the last person to  
have played with her, so she  
must have remembered you  
the most and also felt betrayed  
by you the most as well.

You abandoned me !  
It's all your fault !

She had  
extreme loneliness  
over 10 years

Even when it becomes  
older and even  
a grandmother

she will remain  
a 7 year old

And—

So he will eventually be  
alone after I am gone.

And he will both be lonely  
just like her and eventually  
harm others

They are hurting themselves  
in perpetual loneliness and  
time...
